McLaren General Hospital
401 Ballenger Highway
Flint, Michigan

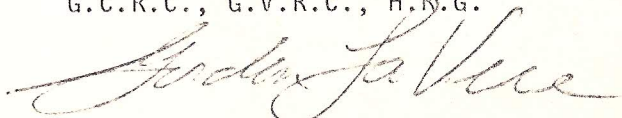

The Genesee County Radio Club, Genesee Valley Radio Club, and the Hanner Repeater Group (Independent) requests approval to up-date and move existing amateur Radio Equipment, now located on 6 North, East stairwell, to 7 North Penthouse; for the purpose of installing an Auto-patch Repeater on the Amateur Radio Band 146-148 Meg. Hz. To provide improved mobile communications with telephone hook-up and other limited Repeater activities as authorized by the Federal Communications Commission.

The Hanner Repeater will be open to all licensed Amateur Radio operators for general personal communications, and will be available in time for disaster, to provide emergency communications for any Hospital, Civil Defence, or Disaster Group.

The Hanner Repeater Group will supply all necessary Radio equipment and pay all Utility bills. McLaren Hospital is asked to supply A.C. Power, 15 amp service, one Centrex phone line and space for equipment for 5 years.

Installation will follow electrical code and be subject to hospital approval. (Requested started date October 1, 1976)

Representative of
G.C.R.C., G.V.R.C., H.R.G.
