Mr. Jerry Baker  
Michigan Specialized Communications Group  
3422 Beveridge Rd  
Flint, MI 48532

Dear Mr. Baker:

On behalf of the Office of Genesee County Sheriff Emergency Management/Homeland Security, I want to commend you and your entire staff for allowing us to visually see the exercise from the EOC. I also, along with Jenifier Boyer, was impressed with the backup communications that you have put together and ready to serve in the event of a crisis.

You, and your radio colleagues, perform an outstanding service to this community, which is greatly appreciated. As they say on television during one of the famous commercials, "Your service is priceless."

Thank you for all that you do, and your group does, to help better serve Genesee County.

Very truly yours,

ROBERT J. PICKELL  
SHERIFF
