April 14, 2011

Mr. Jerry Baker
3422 Beveridge Rd
Flint, MI 48532

Dear Jerry,

This letter is a follow up to many conversations and some decisive decision making in regards to the RACES Radio Officer (RO) positions for Genesee County Emergency Management. I have decided on the following individuals to fill the following positions and will be effective immediately.

RACES Radio Officer – Jerry Baker
RACES Deputy Radio Officer – Clay Hewitt
RACES Officer – Tony Bryant

With the established line of succession there will always be someone available to fill the Radio Officer position at the Genesee County Emergency Operations Center (EOC) or assigned to Emergency Management if on scene.

I appreciate everyone's dedication to communications during emergencies and being an asset to Genesee County. It is important that we continue to grow this program and train interested and skilled individuals to assist in emergency response.

Please contact me if you have any questions or concerns.

Sincerely,

Jenifier Boyer, P.E.M.
Emergency Management Manager

Cc: C. Hewitt
T. Bryant
